9 Supporting text

10 Figs. S1 to S6

<sup>11</sup> **Supporting Information Text**

<sup>12</sup> **Subhead.** Type or paste text here. This should be additional explanatory text such as an extended technical description of  
<sup>13</sup> results, full details of mathematical models, etc.

<sup>14</sup> **Heading**

<sup>15</sup> **Subhead.** Type or paste text here. You may break this section up into subheads as needed (e.g., one section on “Materials”  
<sup>16</sup> and one on “Methods”).

<sup>17</sup> **Materials.** Add a materials subsection if you need to.

<sup>18</sup> **Methods.** Add a methods subsection if you need to.
